REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the claimed subject matter in claims 1-10 is allowable because the arts of record fail to teach or fairly suggest the claimed "a method (system in claims 8 and 10) for frequency correction of the received signal comprising: computing a frequency correction estimate (210) by averaging (see averager 206 for averaging the frequency offset estimate 210) the frequency estimate with the received signal with a previously stored frequency correction estimate, whereby the previously stored frequency correction estimate (212) is an average value of the frequency offset estimate and at least one prior frequency offset estimate; and in combination with all the claimed limitations in claim 1,5,7,8 and 10."

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
